Our Golden World

at W.H.S.

Our Golden World at W.H.S. shines like pure gold to every student within its walls. Our world is a private corner of the community which is a place to be with our fellow students and study for the hundreds of worlds which we must face in the future.

What is our golden world? For the freshmen it is a fresh new start; for the sophomores and juniors it is a turning point; and for the seniors, it is a world of memories which must be left behind.

The components of our world are classes, homework, field trips to steel mills and museums, ballgames with fellow rivals, the Prom, club meetings, and lasting friendships. It is the cheers and tears at tourney time, the excitement of the Prom, and the pure pleasure of attending a school as great as W.H.S. All these form Our Golden World at Williamsport High School. Many years after we have left we will remember our world, what it was, and who made it go around. Now let us put on our gold colored glasses and take a look at the "Golden World At W.H.S."

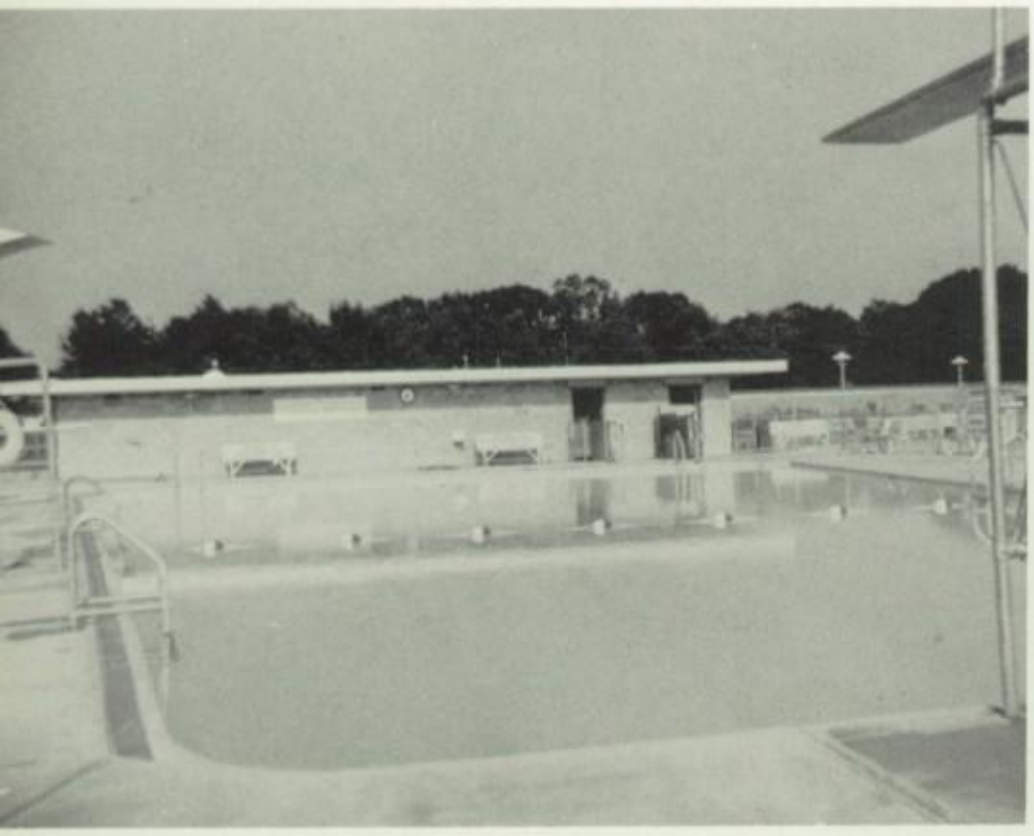
The Community Which



The main attraction to many is the Williamsport swimming pool which is largely populated in the summer months.

One of the very old and scenic attractions of Williamsport is an unusual falls.

We are privileged to have the county seat in Williamsport. The headquarters of that county seat is a large court house which occupies a small corner of our community.

Surrounds Our World

An eye catching attraction in Williamsport is one of the three churches, the Methodist Church.

The environment of the students of Williamsport School is the community in which we live.

Eisner's is proof of the new business that has begun in our town. On the opposite side of town sits one of the older buildings, the Methodist Church.

The center of summer fun is THE pool. It provides the summer entertainment.

The beautiful scene of the falls could someday be a tourist attraction. It is a project of the community to make it so.

The court house is the center of government of Warren County. Yes, our world is one of beauty and we hope that it will never change.

A new super market has been added to the community in Williamsport, an Eisner grocery store.

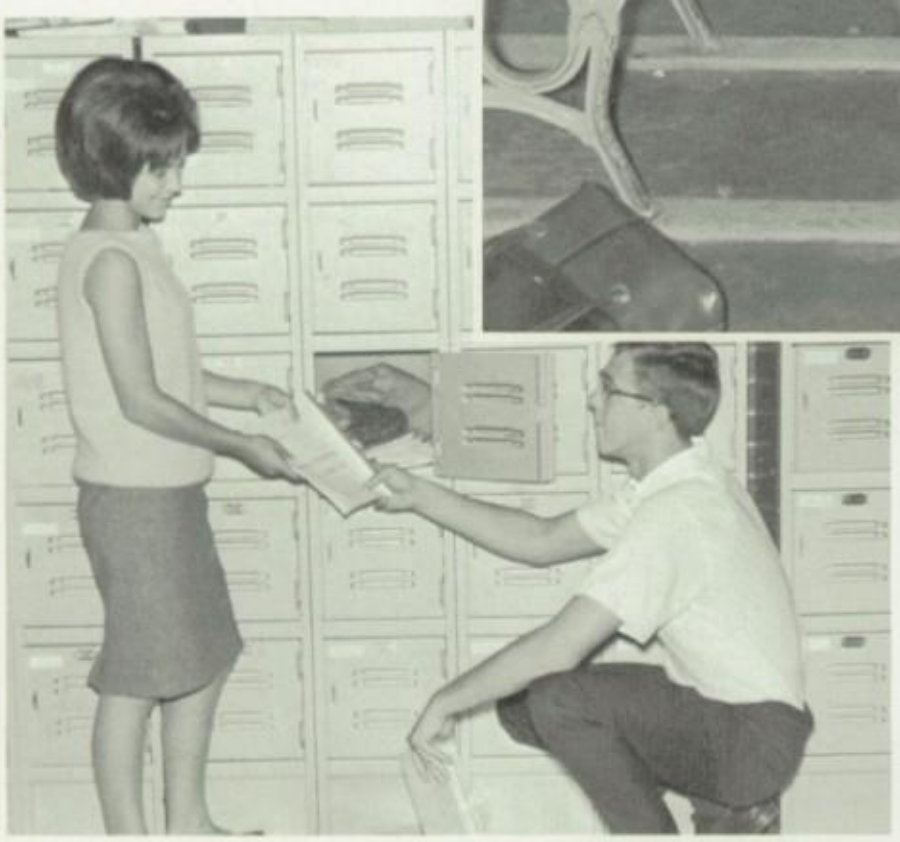
"Golden Personalities" Include

Jon Wood catches a small "cat nap" during study hall.

Mitzi Stewart and Donna Coleman try to encourage tourney spirit with signs.

Danny Ray and Debbie Clark may often be found in the study hall at noon hour.



Linda McKinzie thanks Danny Ray as he helps her pick up the books that she dropped.

The lunch room is usually a well populated place at noon.

Work, Fun, Outside Interests

Average Girl

Have you seen the average girl at W.H.S.? She is a stunning beauty with golden brown hair and flashing hazel eyes. She stands 5 ft. 3.33 in. tall and weighs 114.5 pounds.

If her purse would spill, there would be an avalanche of assorted objects that would include a black billfold that contains 47.4 pictures. You would also find that she carries 3.433 tubes of lipstick in a variety of colors.

Although she believes in going steady, MR. RIGHT hasn't come along as of yet; therefore, she must settle for 1.358 dates a week. It takes 1 hour and 2.5 minutes preparation time to be presentable for her date which is usually a movie. Even though the town curfew is 11:00, she won't be home until 12:00.

Her weeknights are spent watching "Shindig" and setting her hair. She spends one hour and 43.33 minutes studying and reading Ann Landers. For 1 hour and 5.5 minutes you would find her on the phone. Her 1.25 brothers and 1.716 sisters take up the rest of her time.

A few lesser known facts about this mysterious glamour girl are that she uses 1.632 cans of hair spray a month, makes her own bed, and attends church regularly. She belongs to many organizations, prefers the color of blue, likes basketball as a spectator, doesn't diet, and drinks 1.462 cokes a day.

Yes, Bing's average girl is quite an important figure, and will live within the halls of W.H.S. for years to come.

Average Boy

Compared to the average girl at W.H.S. the average boy is a handsome fellow of 5 ft. 8.6 in. tall, weighing 139.6 pounds with blue eyes and light brown hair. His favorite mode of transportation is his hot "Chevy".

He most always carries a brown wallet with 9.186 pictures of his favorite females (teachers) in it. In his pocket you will find approximately 59 cents in change.

Although the boys believe in going steady, sports take up approximately 1 hour and 18.5 minutes a day, and this doesn't leave much time for other activities.

On the other hand, on weekends you might find him watching "The Man From Uncle," taking in a movie or reading Playboy, his favorite magazine. Other times he spends 20.33 minutes talking on the phone or playing cards 1.544 times a week. He usually has an average of .906 dates a week.

On school nights he manages to be in by 10:30 or 11:00. If you are real lucky you might even find him studying 1 hour and 22.4 minutes a night.

Some even lesser known facts about this dream guy, in case you are interested, are that he prefers blondes, and doesn't consider tennis shoes worn out until they have 4.305 holes in them. His favorite actress is Elizabeth Taylor, he doesn't make his own bed and prefers Navy over Army. The rest of his time is occupied by 1.422 brothers and 1.305 sisters.

Like Bingy's average girl, the average boy will usually be a main point of interest at Bingy High School and will be remembered by all who know him.

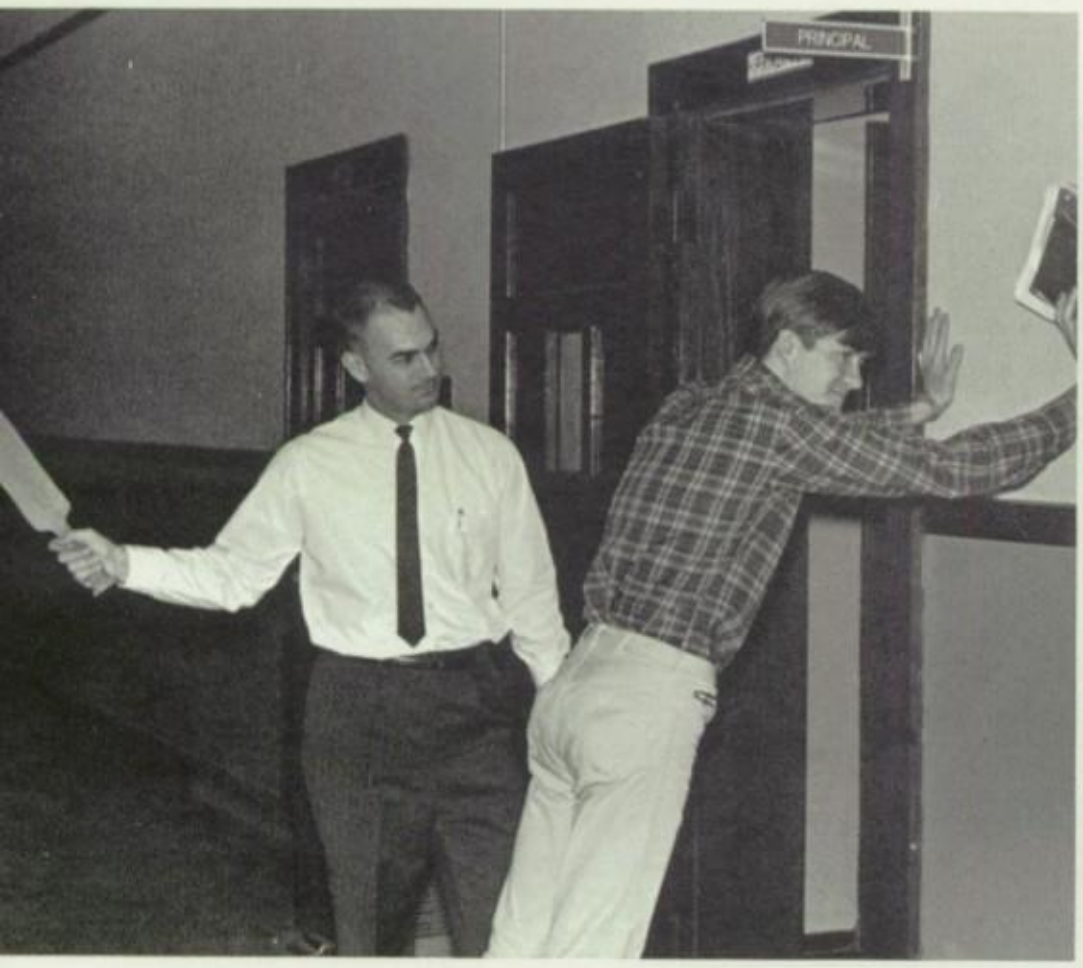
Mr. Schelsky counsels freshman, Debbie Clark.

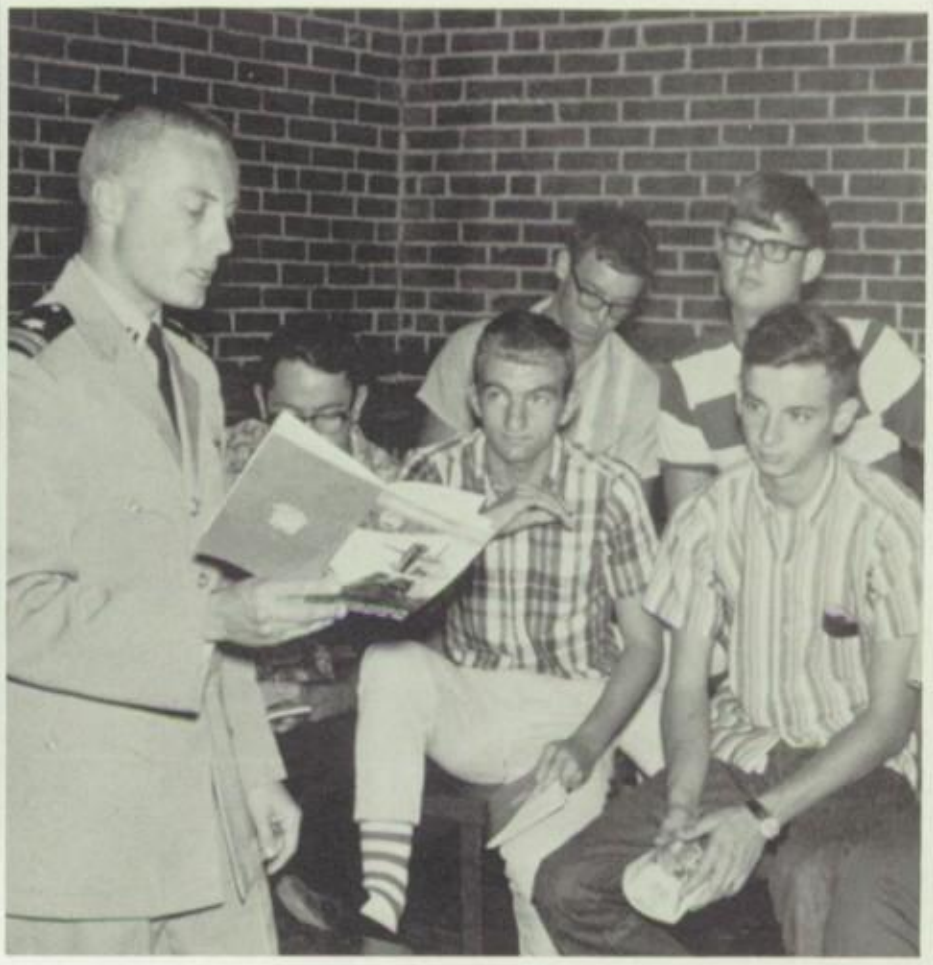
Jim Bob Stamm must be having trouble reading his music.

Daily Happenings



And the hand of authority strikes again!!

Servicemen often explain different branches of the service to the seniors.



Marge Pugh grits her teeth as she receives her Tine Test.

After a weary day, students wave good-bye as they journey home.

W.H.S.ers Enjoy Them

Randy Wurtsbaugh finds a quiet place to study, hoping not to be found.

Early as it seems, it is time to come to school and these girls decide to face it all together.

"There just never seems to be enough room in my locker anymore," is a common expression often heard.

If you are ever looking for Mr. Tobin, you will probably find him riding in his car.

Art Returns to W.H.S.

Tim Flint works on a poster for a holiday dance.

Cheryl Walters and Paula McAdams work on sculpture projects.

After a period of absence; the art department has made its appearance once again at W.H.S. The new and talented instructor is Miss Pamela Adamson.

Miss Adamson is a graduate of Monticello High School and Ball State University in Muncie. She now resides in the Indian Village Addition in West Lafayette with her parents, Mr. and Mrs. Robert V. Adamson. Mr. Adamson owns and operates a music store in Lafayette.

The art classes have now completed many assorted projects. This includes, weaving, painting, sculpturing and printing.

Doug Marlatt tries his skill at weaving which seems quite interesting.

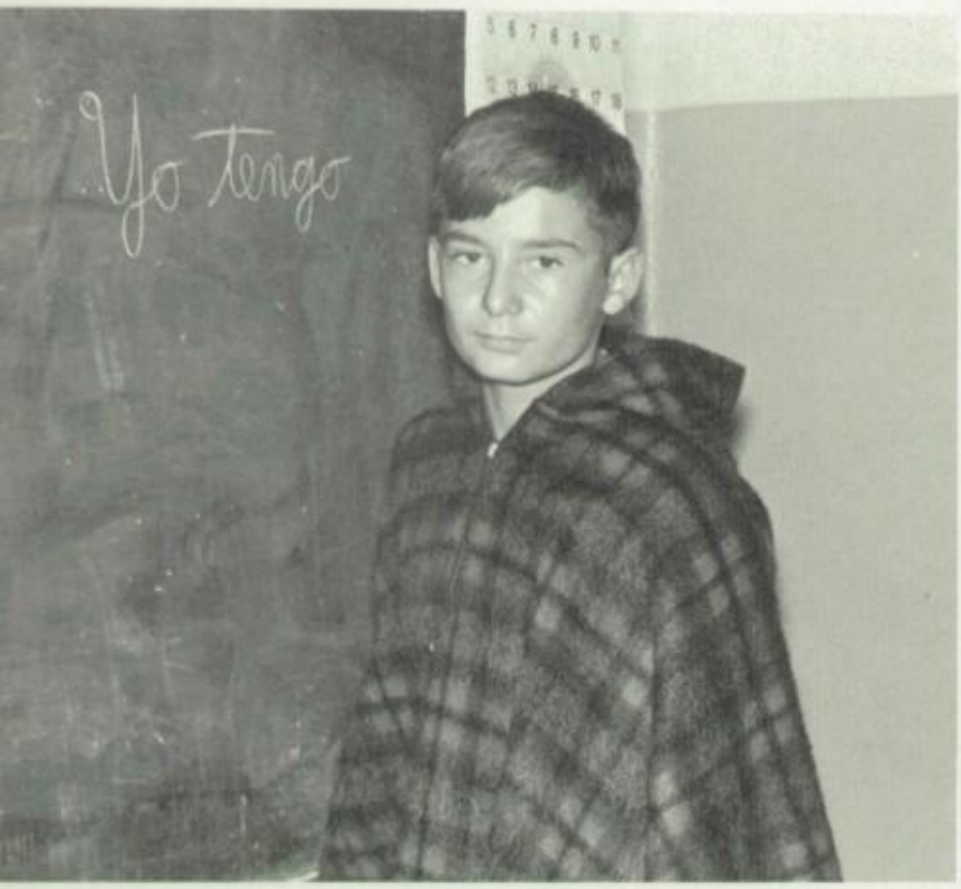
Spanish Offers Challenges



Mark Fenters displays the Spanish dress. Here he models a poncho for the class.

Darrell Berry unable to prove his point in one way tries another in Spanish I.

Melinda Whorton and Sue McAdams frequently use the tape recorder to improve their Spanish.

Foreign languages at Williamsport High School are somewhat of a new experience. First year Spanish, having been offered last year for the first time, was offered again this year plus second year Spanish.

Mrs. Elsa Dora Rubio, a new teacher this year, has helped the foreign language students grow accustomed to the ever-raising Spanish language. She eases them into familiarity of the Spanish tongue by requiring them to speak the language in the classroom, by playing Spanish records and by frequent use of the tape recorder.

Although Spanish is a new experience at W.H.S., it can be seen already that the language has helped to add to the culture of our school and world. It has become a part of our world and is accepted by the students as just another obstacle which must be crossed.

The Language of English

As Williamsport High School grows the individual departments grow also. The English department is no exception. Mrs. Lenora Crowder, a new teacher last year, has helped the students to see the importance in good usuage of grammar, writing, and research.

Each class is required to find and assimulate material for a research paper due at the end of each semester. This helps students prepare for college if they are going to attend and prepares those who are not for a better world of writing.

Each literature class is required to make and give a speech on a project that has been thought up and constructed by that individual. Each student usually does three a semester.

Mrs. Crowder puts a great emphasis on grammar usuage. By the end of the year most students have a very wide vocabulary which is usually pronounced correctly and used very accurately. At the end of a student's school life he either feels that he knows a great deal of English or feels that it is just another foreign language.

Tim Wagner types his research paper for junior English class.

Danny Hurd seems to be having trouble with the spelling word Mrs. Crowder has given him in a senior English spelling bee.

Esther Walder takes notes for a book report which is due the next day.

Business Students Prepare for Future

Bill Taylor searches for his mistake in bookkeeping which seems to be hard to find.

Mrs. Springman is kept busy with General Business, Shorthand, Typing, Bookkeeping, Office Practice and Business Law, a new addition to the commercial department this year. Every class is a special interest in itself.

Projects in the commercial department include: typing budgets, bookkeeping sets, and filing.

We hope that this interesting department helps better prepare us for the business world.

Shorthand girls learn that it is not as easy as it looks.

Eager typing hands find home position.

Students Learn of Generations

The social studies department at W.H.S. this year is headed by Miss Sharon Doerr. This department contains U.S. History, World History, Junior High Geography and Civics. Several others are included.

The new instructor, Miss Doerr, is a native of Topeka High School and Ball State University in Muncie. While in college she majored in Social Science and she received many honors including Pi Gamma Mu and Kappa Delta Pi. Her special interests are music and cooking.

Cindy Hollaway studies a Senior Scholastic magazine for junior U.S. History.

Eldon Turner tries some "psychology" on Bill Taylor but seems to be getting nowhere.

Mr. Tobin conducts his daily discussion in senior Economics.

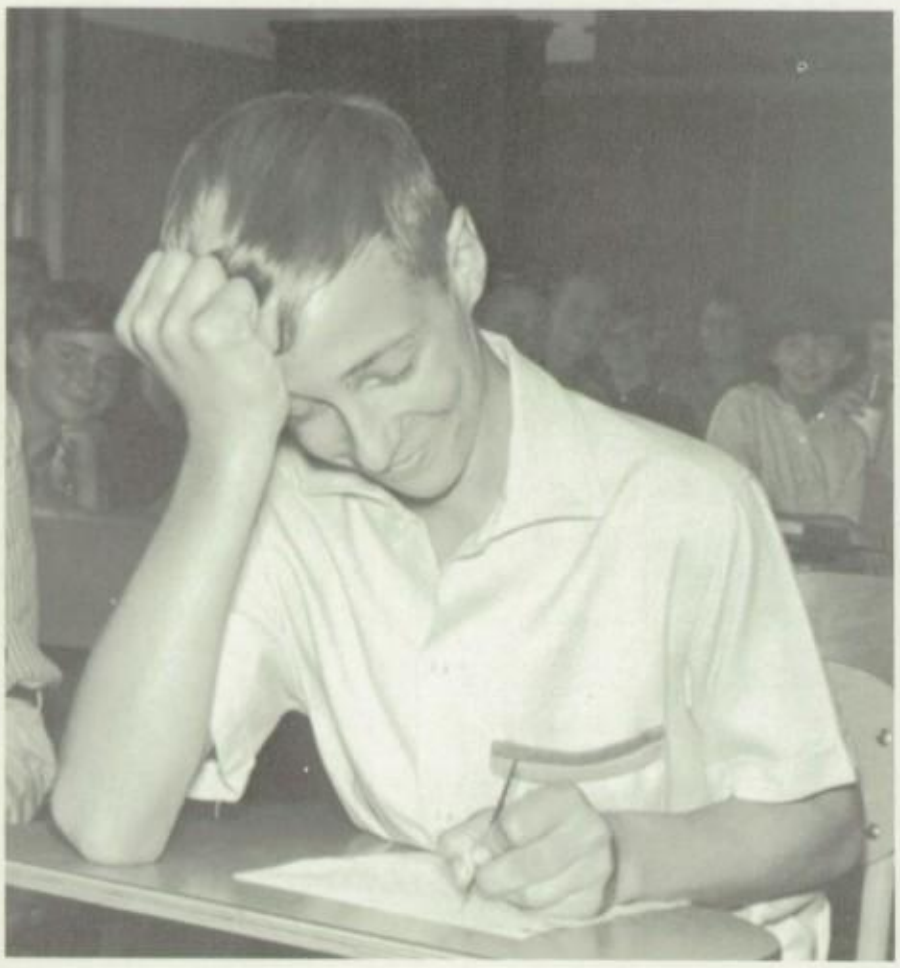
Pupils Daily Live with Figures

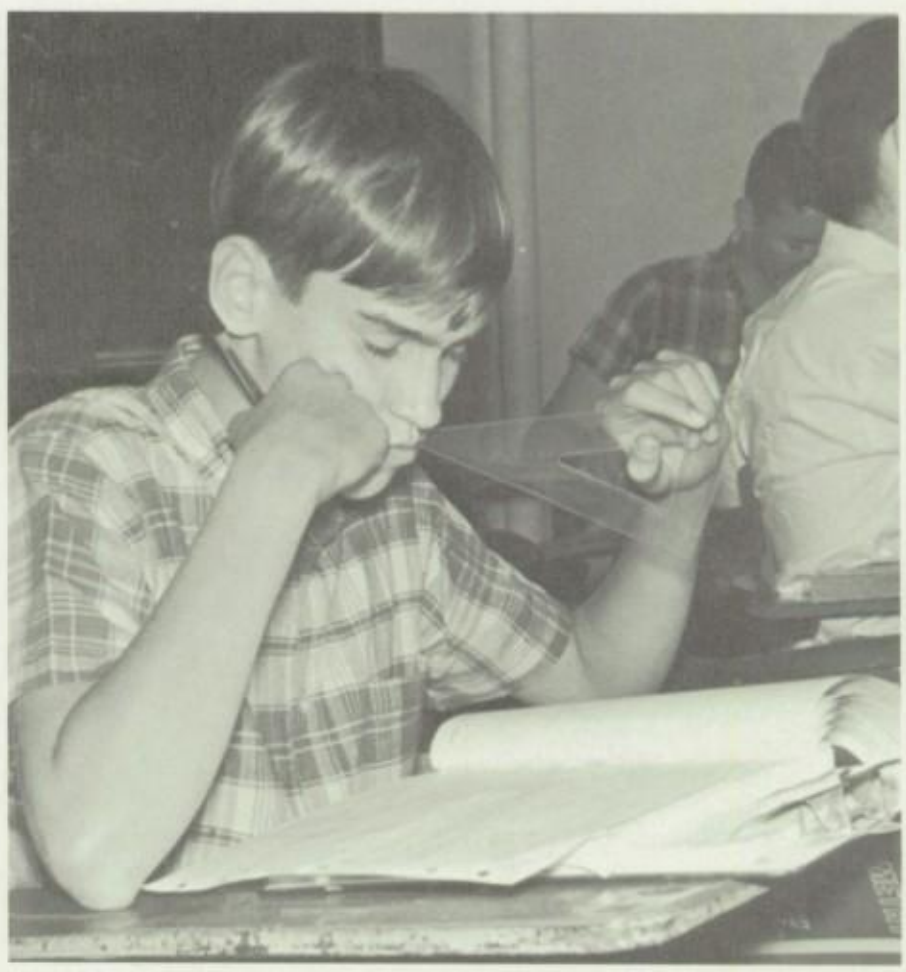
The mathematics department of our high school contains five different classes: general mathematics, Algebra I, Geometry, Algebra II, and advanced mathematics. Mr. Howell is the teacher of most of the classes with Mrs. Young teaching one class.

Each student is required to have at least one year of high school mathematics before graduating from high school. The classes range from fairly easy to quite hard with the student choosing the one in which he can best apply his ability.

Although modern math is somewhat hard, Brian Ray seems to be quite amused with his problem.



Greg Balser stops for a moment of thought while working on his geometry problems.



Tomorrows Scientists Work Today

Charlene Jernagan seems to be having some trouble dissecting her frog.

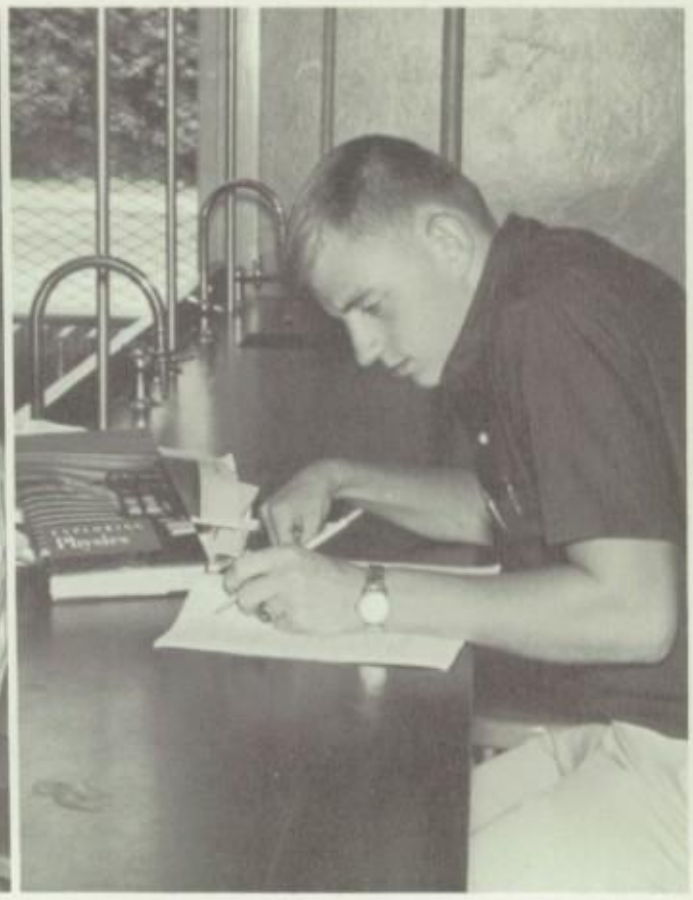
Bob Fix and Tom Siefert are more adventureous in their disecting.

The Science department is one in which most students enroll who are planning to further their education after graduation. With these subjects the students receive an introduction to future college courses.

In the department there is a variety of courses, such as, physical science, Biology, Health, Physics, Chemistry, and many Jr. High science courses. Heading these departments are Mrs. Young, Mr. Pyle, and Mr. Howell.

The modern lab has provided W.H.S. with all the facilities that are needed to provide much learning and experience for college. Along with this, there are many microscopes and preserved specimens used in Biology.

Physics students acquire much from their studies. Some do it in groups as shown by the seniors below. Others, like Steve Barnhart, would rather study alone.



Home Economics and Girls P E

It's always hard to choose up teams in girls P.E. freshman class.

The Home Economics and Physical Education departments are both located in the New Gym building. Many new features such as, cooking and athletic equipment have been recently added to the department to fulfill the needs of each class.

Judy Rush, kneeling, and Ena Jordan prepare a "special" surprise for the class.

Becky Dunn is creating another original with the help of Esther Walder.

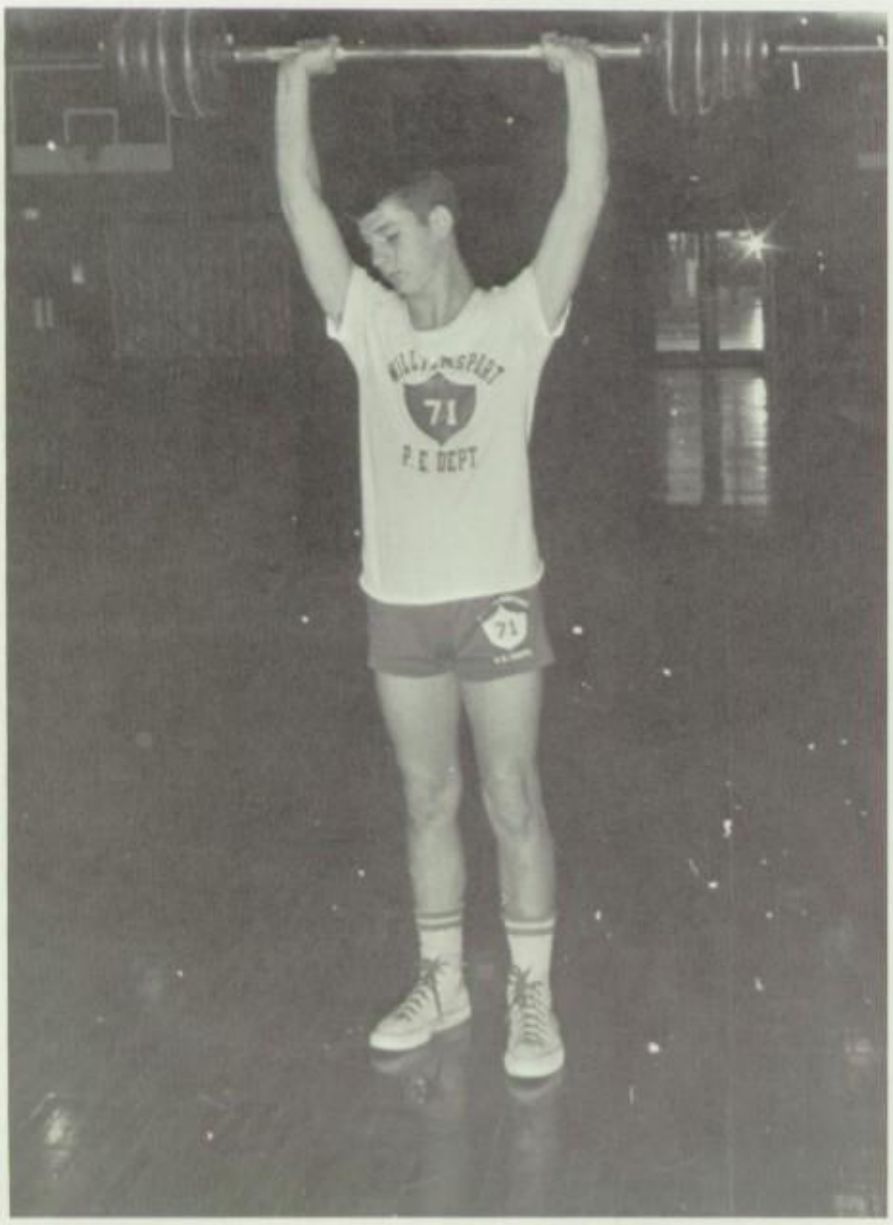
Young Men Grow in Mind & Body

Shop classes, conducted this year by Mr. Crafton, are always an interesting experience. The boys undertake many projects ranging from bookshelves and lamps to tables of every kind and shape.

Physical Education classes are also an interesting experience. They build and strengthen young bodies and encourage many sports.

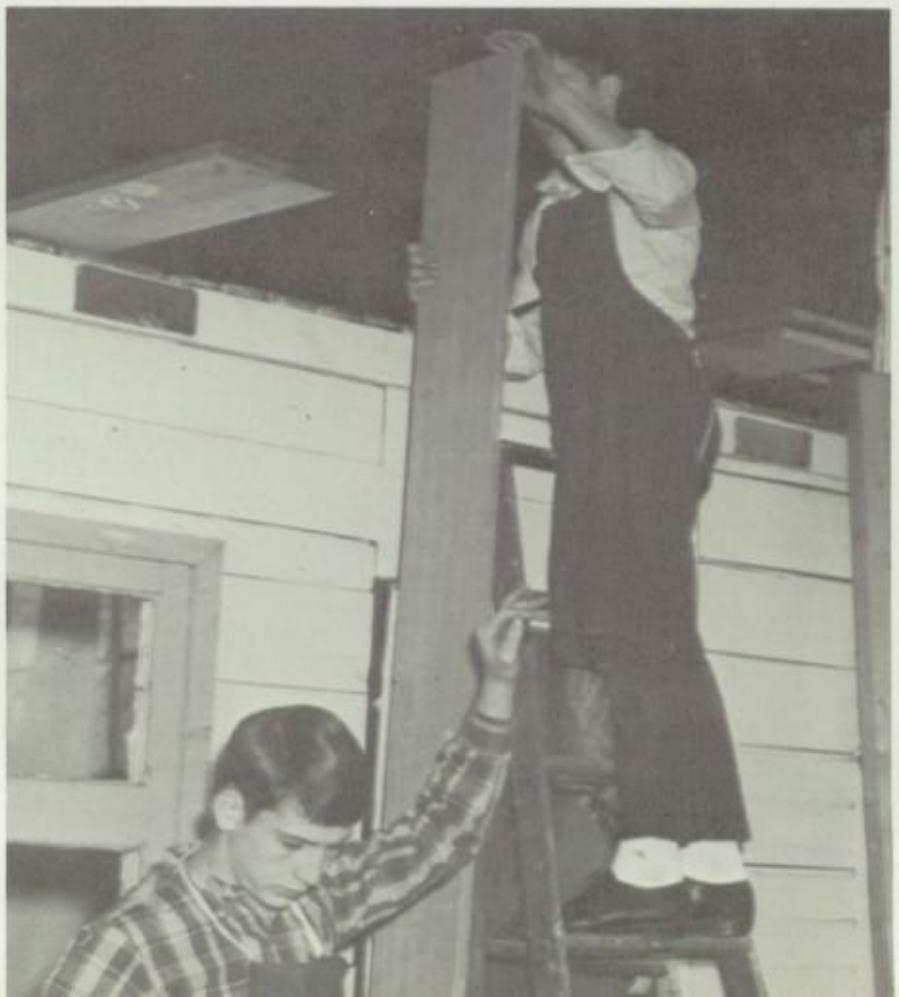
Jerry VanSickle does push-ups in boys P.E. class which sometimes get pretty hard.

"It's just takes muscles and a little bit of skill," states Tom Siefert.



Tom Siefert helps Bob Fix store supplies in shop class.

Sonny Billingsley shows his skill in shop class.



ORGANIZATIONS

Cindy Zenor demonstrates the way never to be caught playing the cornet.

We Are

Although very small, the Williamsport High School Band performs very well under the direction of their new instructor, Miss June Albrich.

Miss Albrich, a highly recommended instructor, comes to W.H.S. from Seymour, Indiana. She received her degree from Butler University in the Jordan College of Music. She was a member of the Mu Phi Epsilon International Music Sorority and she excels in the percussion section. Attending concerts and plays are of special interest to Miss Albrich.

The band is readily awaiting the music festival this spring. The whole community welcomes Miss Albrich to the W.H.S. faculty and will give our whole hearted support.

BAND MEMBERS--ROW ONE: Dewanna Dawson, June Lucas, Jackie Wertz, Cindy Holloway. ROW TWO: Becky Clark, Cindy Zenor, Becky Dunn, Marge Pugh. ROW THREE: Kenny Ritchie, Gail Watson, Doug Marlett. ROW FOUR: Peggy Combs, Debby Clark, Jim Bob Stamm, Melinda Whorton.

ABSENT: Janet Moon, Terri Mourer, Alice Wilson, Sharon Lucas.

The Chorus, directed by Miss June Albrich, has performed nicely for both the Thanksgiving and Christmas convocations. A change in the Chorus this year is that it is composed of girls only.

The Chorus, divided into two classes, meets at different intervals each day of the week. Becky Dunn is the accompaniest.

The Chorus takes part in the County Band and Choral Festival held in the spring and also the Choral Festival held in Attica around the same time of the year.

The Williamsport Chorus musically provides the entertainment for the Christmas convocation.

W-Club

The Williamsport W-Club consisted of eleven members this year, who had won at least one letter in either track, cross-country, baseball, or basketball. Up to this year, two letters in any one sport was sufficient for a""letter" jacket. But this year a new point system will be set up, in which a certain number of points will be attached to each sport.

A new trophy case houses all of the proud trophies which have been presented to W.H.S. sportsmen.

W-CLUB MEMBERS--STANDING: Coach Pyle, Ed Sells, Bill Taylor, Danny Ray, Mike Stewart, Bill Hensley, Coach Crafton. KNEELING: Brad Allhands, Doug Cripe, Sonny Billingsley, Jerry High, Bob Fix, Terry Wagner.

Honor Society Grows at W.H.S.

Honor Society members help pass out pamphlets at open house in the fall.

As enrollments in secondary schools grew following 1900 and the social aspects of secondary education were stimulated through the introduction of more extracurricular activities in schools, many school administrators felt that there was an unjustifiable de-emphasis of the scholastic or academic interest in secondary education. Social and athletic activities were holding the center of the stage. The usual administrative devises and incentives to stimulate better scholarship, such as honor rolls, special privileges, school awards, valedictory and salutatory addresses at graduation, and letters of congratulation, did not seem to remain as influential on scholastic endeavor of all the students as formerly.

Schools soon began to establish honor societies in several sections of the counrty. These early societies in many widely separated communities were formed to meet local needs. Some required the attainment of citizenship and leadership standards; others, service records; and still others, only the attainment of a predetermined scholarship standard.

The 1966 Goldenrod began last summer at Indiana University where the editor-in-chief attended the annual yearbook editor's workshop. The book was planned and the dummy was started there.

It grew and grew for four months after school started. Every month, on the 15th, one fourth of the completed pages were to be sent to the company, starting in November and the final shipment being sent in February.

Long hours and difficult picture-taking were involved, but we finally got the job finished. The book, before it was completed, was usually scattered, piece by piece, in June's basement, where the book was actually put together.

We sincerely hope that everybody enjoys our book and that it will be long remembered.

It was January and a Prom was being planned. The Junior class eagerly awaited their first Prom. The theme of "Apple Blossom Time" was decided upon by the class and was carried out throughout the whole Prom.

The evening began with a banquet at the Mudlavia Hotel. A welcome speech, response speech, senior class wills, and prophecies were read.

Next came the actual Prom dance. It was held in the new gym which was beautifully decorated with apple blossoms, swings, trees, and garden furniture.

Following the Prom was an after-prom party given by the Junior class. And finally the Prom was concluded with a breakfast also given by the Junior class. An unusual evening of fun and thrills was enjoyed by all.

This year the carnival supper was changed to a smorgasbord and was enjoyed by all.

As it is every year, the fish pond was one of the most popular spots.

The annual P.T.O. Carnival and supper proved to be very successful this year. The public should be congratulated on their support.

The supper was changed to a smorgasbord this year. The attendance did not differ greatly but there were quite a few comments for the better, concerning this new idea.

A few of the best attended booths were the fish pond, the novelty table, the basketball toss and the bingo stand. Many other projects drew large crowds too, but to mention them all would take too much space.

King and Queen candidates had campaigned for nearly three weeks. Representing the Seniors were Linda Adams and Randy Robbins; the Juniors, Jackie Wertz and Mike Stewart; the Sophomores, Brenda Murray and Randy Wurtsbaugh; the Freshmen, Rhonda McDonald and Lucky Jordan; the eighth grade, Joyce Watson and Jim Kane; the seventh grade, Dewanna Dawson and Mark Stitt. W.H.S. Varsity Basketball Scores

WILLIAMSPORT-71 --- FOWLER-85 Bingy tried to start with a win but just didn't make it. Ed Sells led the scoring with 26 points and several rebounds. Danny Ray, Doug Cripe and Bill Hensley followed with 18, 13, 6 points respectively.

WILLIAMSPORT-54 --- EAST TIPP-67 Danny Ray turned in a very good performance with 21 points. Ed Sells and Bill Hensley added 11 and 10 points respectively.

WILLIAMSPORT-61 --- MONTEZUMA-78 The boys put forth a good effort but lost a well played game. The scoring was well balanced with four men in double figures: Monty Abernathy-13, Danny Ray-13, Bill Hensley-11, and Ed Sells-10.

WILLIAMSPORT-55 --- ATTICA-78 Bingy tried very hard to defeat their Rambler rivals but were defeated in a well played game. Ed Sells led the scoring again with 19 points and 11 rebounds.

WILLIAMSPORT-55 --- OXFORD-78 Bingy still plugged away but were again defeated. Ed Sells hit for 16 points and Bill Hensley pulled through 13 points. Ed Sells pulled down 10 rebounds.

WILLIAMSPORT-60 --- WAYNETOWN-50 Bingy pulled its first victory. Doug Cripe and Danny Ray together scored 45 of Bingy's total score. Doug Cripe had 23 points.

WILLIAMSPORT-47 --- WAINWRIGHT-62 For Bingy Ed Sells again led the scoring with 20 points and was also the leading rebounder with 12 rebounds.

COVINGTON INVITATIONAL TOURNEY

WILLIAMSPORT-71 --- FOUNTAIN CENTRAL-85 Bingy lost its first tourney game in a hard fought game. Ed Sells took the scoring honors scoring 20 points and Danny Ray followed with 14 points.

WILLIAMSPORT-62 --- SEEGER-55 Bingy pulled through for its second victory. Monty Abernathy scored 18, Ed Sells 16, and Danny Ray-11 points.

WILLIAMSPORT-60 --- SEEGER-69 After Bingy had beaten Seeger in tourney play, Seeger won revenge on their home court. Ed Sells was high scorer, having 15 points and was once again leading rebounder with 11 rebounds.

WILLIAMSPORT-65 --- BATTLE GROUND-67 Bingy lost one of its closest games when a Battle Ground player scored in the last remaining seconds. Bill Hensley scored 16, Danny Ray-14, Ed Sells-10, and Monty Abernathy-9 points.

WILLIAMSPORT-45 --- PINE VILLAGE-59 Pine Village sought revenge and gained it. Monty Abernathy scored 14 points. Ed Sells and Danny Ray both pulled down 13 rebounds.

WILLIAMSPORT-52 --- COVINGTON-66 Ed Sells was high scorer with 18 points and also pulled down 11 rebounds. Bill Hensley scored 11 points with Steve Smith hitting 10.

WILLIAMSPORT-61 --- FOUNTAIN CENTRAL-86 Bingy again met Fountain Central and were again defeated. Bill Hensley scored 20 points while Steve Smith hit for 17 points.

WILLIAMSPORT-58 --- KLONDIKE-60 Another very close scoring game. Bill Hensley hit for 16 points, Ed Sells-15, and Monty Abernathy-15.

WILLIAMSPORT-45 --- BOSWELL-49 Bingy was defeated in the last two seconds but were true sportsmen. Ed Sells and Steve Smith both pulled down 11 rebounds.

WILLIAMSPORT-55 --- SOUTHWESTERN-74 Bill Hensley hit for 14 points while Monty Abernathy picked up 12 rebounds.

WILLIAMSPORT-49 --- OTTERBEIN-70 Bingy put forth another surging effort but again were defeated. Monty Abernathy was high point man with 21 points and several rebounds.

WILLIAMSPORT-77 --- COAL CREEK-87 Although Bingy displayed one of its highest scoring games the effort was not quite enough. Danny Ray was high point man with 19 points. Other scorers were: Steve Smith-17, Monty Abernathy-15, Bill Hensley-15, and Ed Sells-11.

Cheerleaders and Action

5 - 6 GRADE CHEERLEADERS

Roxanne Whorton (5)
Diane Moody (6) Jeanne Kane (6)
Debbie Wood (5)

Cheerleaders try to arouse some excitement.

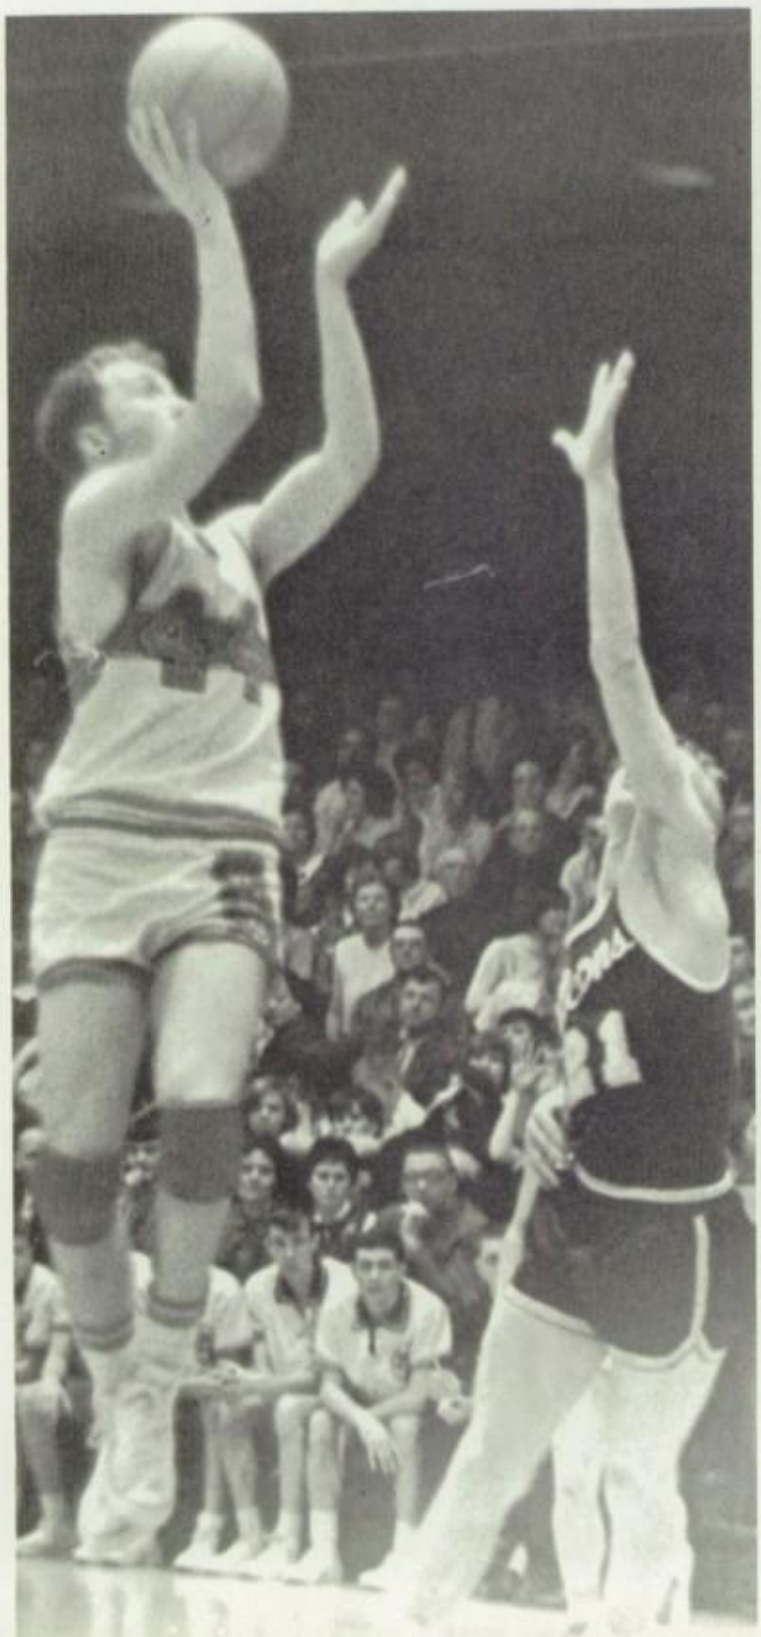
Tim Ware tries his luck.

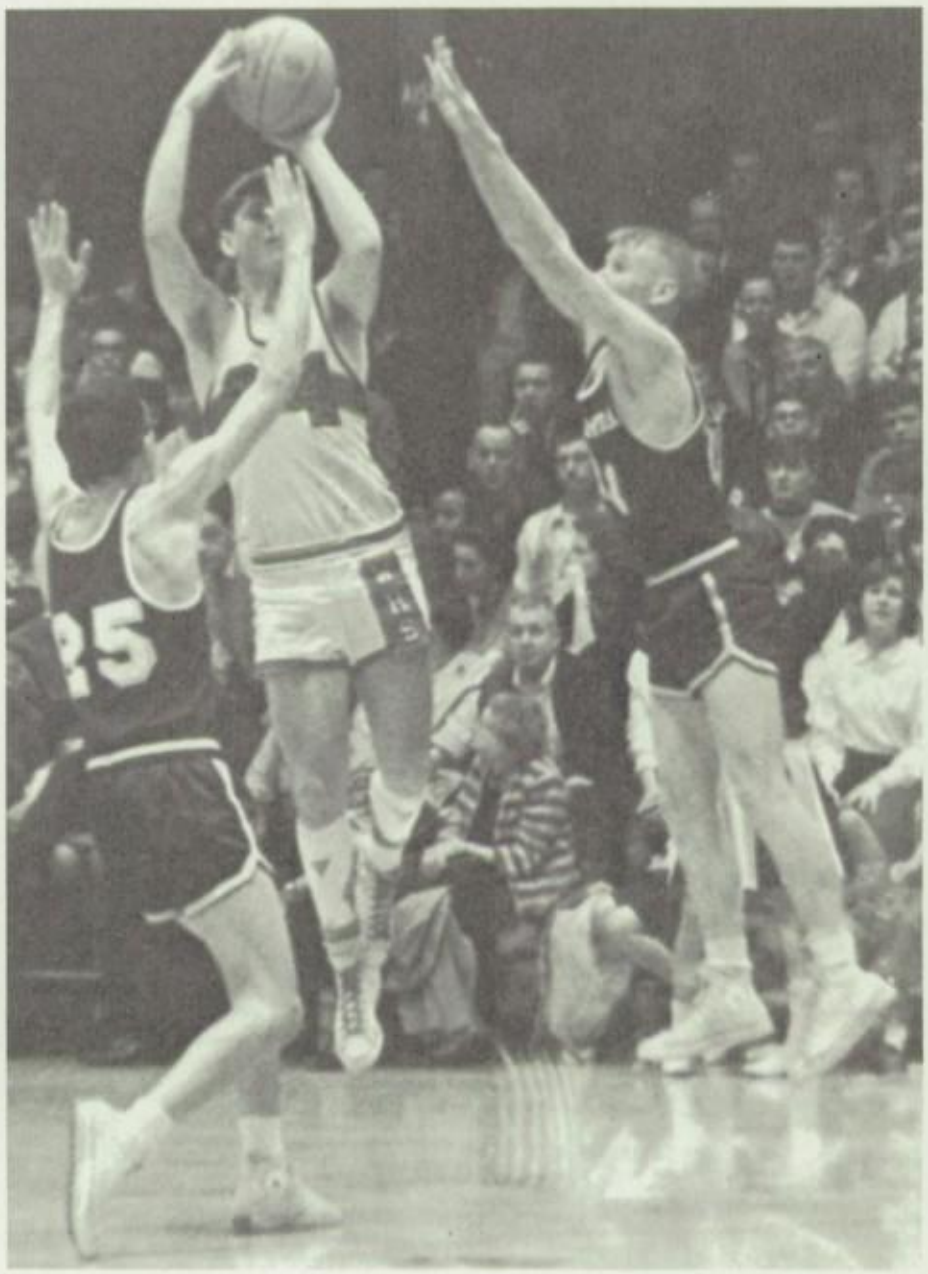
Jimmy Wertz in the 5th grade tries for two points.

1966 Sectional Results

Steve Smith (54) comes out of the top of the pack to try for 2.

Ed Sells (44), closely guarded by Hinkle (21) tries his luck.





Bill Hensley (34) tries to score for Bingy while being heavily guarded by two North Vermillion players. Number 25 is Farrell.

It was tourney time again and Bingy High School wanted to capture the winning crown once again. They wanted to make 1966 the fourth straight sectional win. But all good things must come to an end and so did Bingy's sectional success.

They met the North Vermillion Falcons in their first game. Only a week before the sectional, Bingy had defeated North Vermillion for its third win of the season, the score being 62-60.

Bingy played a hard fought game, trying to defend its sectional crown but was beaten with the final score being 83-55.

Although they were beaten, it is for sure that they will return again next year and try to regain the sectional crown.

Track

Shown in relay action at a Seeger meet are Roger Moody and Mark Tanner.

Brad Allhands tries to help that one last leg over the high jump at a Seeger meet.

Here they come with Bill Taylor and Sonny Billingsley pulling strong for good old BINGY.

Track competition does not officially start until this spring. This is the reason we were not able to submit pictures of this year's team. Instead, we have a few action pictures from last year's track participators.

The whole team and coach, Larry Pyle, are looking forward to a very successful season this spring. We are all behind you.

Our Team in Action

Monty Abernathy (52) jumps to block John Newlins (53) shot. Ready for the rebound are: Bill Hensley (34), Jay Brewer (21), Dan Wiersma (51) and Ed Sells (No. not showing).

Won't somebody please pick up the ball!!! Ed Sells (44), Mike Lintner (41), Steve Smith (54), scramble for it while Bill Hensley (34) and Dan Wiersma (51) watch tensely.

Come on kids, you're not yelling.

"But Coach, we don't remember that play."

Bruce Parkhurst (23), Steve Smith (54), Dan Ray (32), Mike Lintner (41), and two unknown Klondike players watch Monty Abernathy (52) go under for two points.

Bill Hensley (34), Jay Brewer, (21), Ed Sells (44), and Dan Wiersma (51) stop to watch if a Klondike shot goes through the basket.

Seniors proudly display their masterpieces--SENIOR CORDS.

The day the 1966 class became seniors they celebrated with a picnic.

Doug Cripe seems to have something on his mind, but whether it is a girl, basketball or the future we may never know.

Come on Randy, you're not that much of a coward or are you???

"Does anyone have the feeling that there is somebody behind us?"

"And for Christmas, I want a new red sweater," Colleen Stewart proudly states.

Carnival Queen and King candidates this year were Linda Adams and Randy Robbins.

Those senior boys are at it again, it's ice hockey this time.

The Junior class have the concessions again this year. The two teams for the concessions consist of nine members of the class working alternately at the games. This money will be used for the Junior and Senior Prom. A new concession stand has been built in the new gym by the school and it is very much appreciated.

The class has a total of twenty-six members. The King and Queen candidates for the carnival were Jackie Wertz and Mike Stewart. The class sponsors for this year are Mrs. Crowder and Mrs. Young.

NANCY HURLEY AND GREG BALSER curiously examine the class ring samples.

To the amazement of our faculty, we did survive the freshman year. Here we are as the Sophomore class.

The first major event of this year was the ordering of class rings on September 10. Mr. Adkinson, of the Terryberry Company, showed several boxes of attractive gold rings. The ring style was chosen by majority vote.

A class party was enjoyed by all on October 8th in the old gym. A fall theme was carried out in colors to suit the occasion. The sponsors are Mr. Pyle and Mrs. Springman.

The seventh grade has now begun its first year out of grade school. Junior high will bring about many changes in its school routine. They now pass from class to class as do the upper classmen.

The class had thirty three members enrolled on the first day of school. The sponsor for the year is Mrs. Dill. They held their first class party in Nov. It was well attended and all committees should be complimented on their work.

The Williamsport Kindergarten was organized four years ago by a group of thoughtful parents and preschool children. For 3 years the class met in Room 102 at the school, but because of crowded conditions in the school, this room was needed for older students. The Library Board made the local library basement available to the kindergarten, where this year's class meets 2 hours each day. Children enjoy music, art, games, co-ordination exercises, memory work, story time, free play and the special favorite: recess at the school playground.

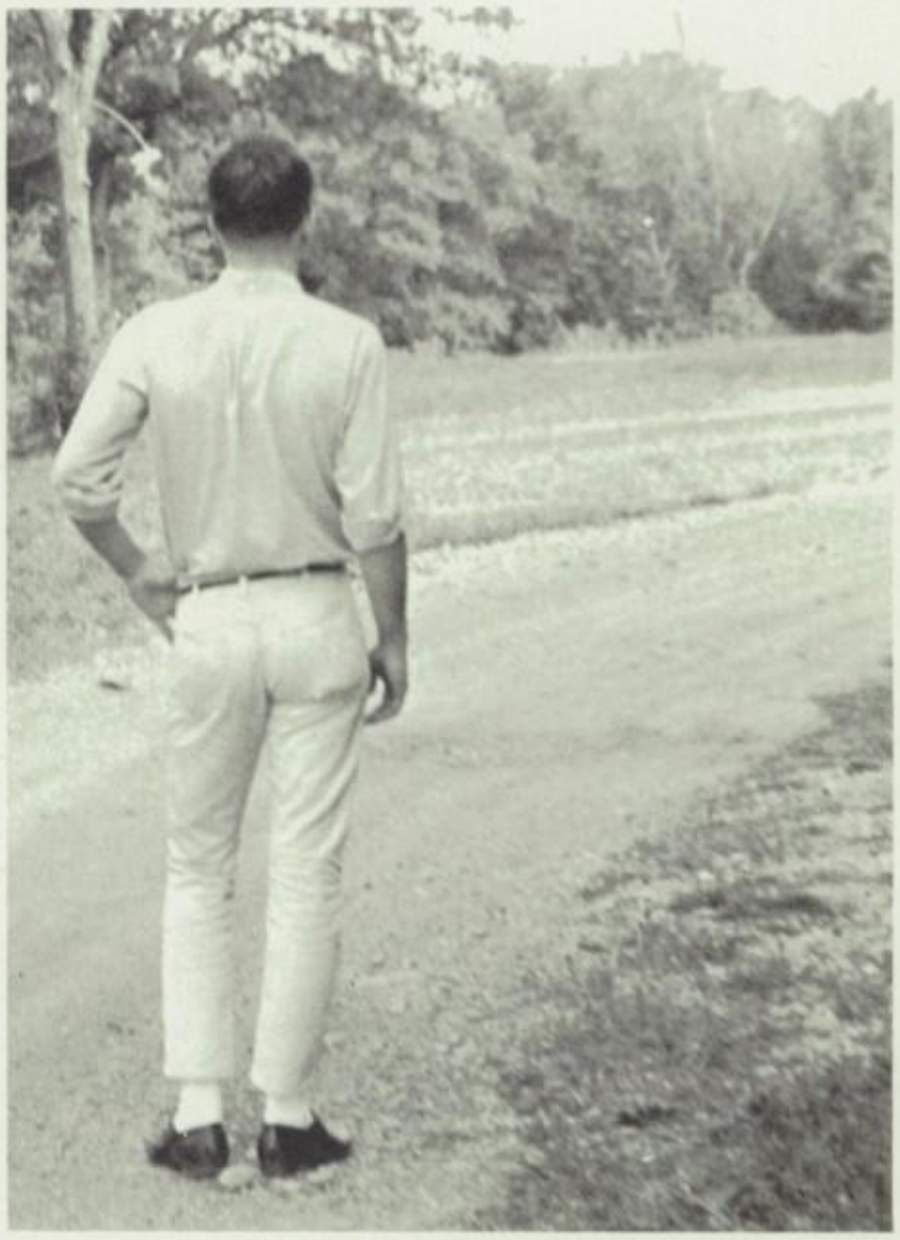
Editor's Page

Well, we really must finish now, due to lack of time, thoughts, and funds, but we hope that you have enjoyed our book.



To the seniors this year means the end of high school, but the beginning of the journey down the road to the future.

I would like to express my deep appreciation to those persons who have helped me with the 1966 Goldenrod. We have all put forth our very best efforts to make our book a "best seller."

I would also like to thank the advertisers who have helped support our book. Thanks also goes to the buyers who purchased 160 copies of our 1966 edition.

I very much appreciated the opportunity to attend the annual Yearbook editor's workshop at Indiana University last summer. I only hope that the things that I learned there have been put to good use in our book. I truly hope that you have enjoyed the 1966 Goldenrod.
